

Professor Louie & The Crowmatix - Flyin' High

New CD featuring road tested jams and collaborations with country star John Anderson and Hot Tuna's Michael Falzarano.

DESCRIPTION

This CD will take you to new heights with brand new road tested tunes. Original songs "Bullfrog" and "Jackie" have been featured backing tracks for many episodes of two popular TV Series - Made and Trailor Fabulous on MTV. An old Delmore Brothers hit "Nashville Blues," recorded in Nashville during a Crowmatix tour, was a fruit of the session with country superstar John Anderson. Michael Falzarano (Hot Tuna) teams up with The Crowmatix on his song "Last Train Out" and one of the highlights on this CD is the traditional treatment of "Jack-A-Roe." Check out the interwoven melodies & soulful harmonies by The Crowmatix on the song "No Souvenirs" by David Nelson (New Riders Of The Purple Sage) Let The Crowmatix take it higher!
