DESCRIPTION

Over 90 min of rarely before seen interviews, documentaries, war footage and more from private libraries of veterans from WWII. This action packed and stunning DVD contains the following programs: "The Fighting Liberator" - While the B-17 enjoyed much of the media spotlight, the B-24 earned a reputation as a tough and reliable heavy bomber. "The Fighting Liberator" focuses on the role of the B-24 in such major air campaigns as Ploesti, Regensburg and the daylight bombing of Germany. "Burning Ploesti Oil" - This short film chronicles one of WWII's most infamous raids. Follow "Killer Kane" as he leads his B-24 Raiders deep into the Romanian oil fields...and the waiting German defenses. "Desert Air Force - War in the Air" - While Rommel and his "Afrika Corp" battle the British army across the deserts of North Africa, in the skies above them a battle of equal intensity was also being waged. "Desert Air Force" offers a rare glimpse into the decisive battles over Rommel's relentless ground forces. "Ace of Aces" - Story of Eddie Rickenbacker, America's top ace of WWI. This production offers excellent footage of Rickenbacker and WWI vintage aircraft.
